Yamaha Motor Corporation, USA Appoints Michael Helin to Senior Automation Engineer of Robot Operations FA

Marietta, Georgia, USA – Yamaha Motor Corporation USA Intelligent Machinery (IM) Division is pleased to announce the appointment of Michael Helin to Senior Automation Engineer of the Robot Operations FA (Factory Automation) Department.

Michael brings more than 15 years' experience in automation engineering, manufacturing, and university education to his new position. He worked in systems integration in the past building custom machine systems with PLC control, machine vision, and a variety of different robots.

In making the announcement, Shinji Kuroda, Manager of Yamaha Robot Operations FA, said, "We're excited to have Michael join our growing group of industry experts at Yamaha. His knowledge and broad-based experience make him a valuable asset to our customers, and we're delighted to have him on our team."

He added, "Michael has a great passion for this industry and will be a very good asset for Yamaha especially now, with so many new products and software offerings to be released in 2021. We look forward to introducing him to our customers and presenting our new products as soon as travel restrictions allow."
